bathroom furniture

Devo has been present on the European market for about 30 years as a bathroom furniture manufacturer, being a long-standing supplier to mainly globally-operating companies. Our aim since the beginning of operations was to create products of the highest quality, innovativeness and unique design. For many years we have related with renowned European material manufacturers such as: Egger, Kronospan, Pfleiderer, Blum, Camar, Ica, Renolit, Hornschuch. Devo's key strengths are extraordinary durability of products, a vast range of colours and a unique design which all earn recognition on many trade shows, both Polish and European. Our clients have created and keep on creating exceptional bathroom projects with our involvement for years.

Current offer in this catalog consists of 23 bathroom furniture lines with timeless attributes, designed to meet the individual preferences of most demanding Customers. You will find here a wide variety of styles and sizes of furniture enabling to match perfectly tastes and spatial possibilities of our Customers.

Devo, as one of the oldest Polish bathroom furniture manufactures, earned reputation of stable and innovative company becoming a trustworthy business partner that ensures partnership on the highest possible level, which is based on reliability, trust and most importantly exceptional and durable products.

We are looking forward to cooperating with you.
